Re: East Bridgewater High School – Code Compliance  
East Bridgewater, MA

Dear Mr. Jordan:

Cosentini Associates has reviewed the drawings dated June 24, 2011 for the above referenced project. The drawings reviewed included the following:

Drawing A0.3, General Information and Code Analysis  
Drawing A0.4, First Floor Fire Safety Plan  
Drawing A0.5, Second Floor Fire Safety Plan  
Drawing A0.6, Third Floor Fire Safety Plan

The drawings were reviewed for compliance with the major fire protection, life safety, and accessibility criteria of the applicable codes. In our opinion, the East Bridgewater High School drawings reviewed (as noted above) are in compliance with the requirements of the Massachusetts State Building Code, Eighth Edition.

Sincerely,

COSENTINI ASSOCIATES, INC.  
Code Consulting and Fire Engineering Services
