## **Re: East Bridgewater High School**

Dear Mr. Jordan:

Kessler McGuinness & Associates, LLC has reviewed with Ai3 the attached written correspondence dated 05.02.11 and 05.17.11 and believe the project will be in compliance with the ADA Standards and 521 CMR if constructed as designed. As recommended, a variance request for using a lift at the press box has been submitted to the Massachusetts Architectural Access Board. Requests such as these are typically granted.

Please let me know if you need additional information.

Sincerely,

A handwritten signature in blue ink, appearing to read 'K. Jordan'.
