

January 2013 update

The Furniture, Furnishings, and Equipment Bid has been released as of January 7, 2013, at 1:00 PM and bids will be received until January 31, 2013, at 11:00 AM. Please see the [bid advertisement](#) for more information. This document will appear in the Enterprise newspaper and will be posted at the Town Hall and in the Superintendent's Office. The bid is also being advertised in the *Goods and Services Bulletin*.

Window installation is finished. The roof has been completed. Exterior brickwork is done. The road from Route 18 has been paved. Now that the outer shell of the building is finished, work will continue inside the building – you just won't be able to see the progress as easily anymore. We can assure you that workmen will be busy throughout the winter months. They have already begun disassembling the stadium, ahead of schedule.

We remind you that all the [minutes](#) of our meetings are posted on this website as soon as they the committee has voted to approve them. You can read them as well as numerous other types of information on this site.

We appreciate your interest and support of this project.

*Sincerely,
The School Building Committee*

Next meeting: January 14, 2013, 7PM @ East Bridgewater High School Library
