

June 2013 Update

The old school has only a couple of months left! On Wednesday, June 12, from 6:00 PM to 8:00 PM, Principal Paul Vieira has announced that there will be an Open House for anyone who would like to view the old school once more. Student Senate guides will be available for anyone who would like to take an official tour, but residents can feel free to walk around the school on their own. Please pass this information on to any graduates or members of the community who might be interested. Stay tuned for opportunities to tour the new school.

Following the Open House, the building will be used by the local SWAT team before it is demolished to make room for athletic fields. The SWAT team does not often have complete freedom to train in an actual building, so this offers the area police a rare experience to use an actual building for their training exercises.

The School Building Committee continues to meet twice a month in order to address the flurry of decisions that arise towards the end of a large building project.

As ever, we appreciate your interest and support of this project.

Sincerely,
The School Building Committee

Next meeting: June 10, 2013, at 7:00 PM in the East Bridgewater High School Library
