

October 2012 Update

The project is now over 40% complete, on schedule and on budget!

At its first meeting on September 10 after the summer break, the committee met to welcome new members Kevin Smith and Dave Foley and learned that the courtyard is nearing completion. The courtyard windows are in and landscaping will be fully finished soon. The schedule calls for all windows, roofing and brick work to be finalized throughout the building before the cold weather sets in, so the work can focus on the inside of the building.

Tours of the building were done on September 24 at 10am, 2pm, and 6pm, with many people interested in viewing the building more closely. Watch this site for more opportunities to do a tour in the future.

Now that the new school year is underway, the committee will generally hold its meetings on the second Monday of every month, except when it falls on a holiday. Check the [News & Updates](#) tab to find dates for upcoming meetings. ***Please note that the October 15 meeting will be held at Town Hall, rather than the high school library.***

As ever, we thank you for your continued interest and support in this project.

*Sincerely,
The School Building Committee*
