

October 2013 update

We hope you were able to take a tour of our new school in August. But if you haven't been inside the school yet, there will be a grand opportunity to view the school at the **Ribbon Cutting and Dedication ceremony**, which will be held on **Wednesday, November 27, at 4:00 P.M.** This date was chosen in order to allow the maximum number of alumni, municipal and state officials, students, staff, residents and other interested persons to attend. More details will follow.

Work on the outside of the building continues. Grass seed and sod are being sown in the outside fields. The old high school will slowly be demolished, starting with the "new" section in the back. The entire building is scheduled to be fully down by the early spring.

Sincerely,
The School Building Committee

Upcoming meeting: **Tuesday, October 15** at 7:00 PM in the EBJSHS conference room
