

## September 2012 update

The building project is on schedule and on budget! Brick in the courtyard has been completed and soon a subcommittee will begin the process of choosing colors for the inside of the building. During the summer, another subcommittee started the work of determining what to bring from the old building into the new. This would include trophies, memorials, and countless items that have marked the accomplishments and commemorations that signify so much to our schools and our community. More information on that process will be shared soon.

After a summer hiatus, members of the School Building Committee will meet on September 10 at 7:00 PM in the EBHS Library when the SBC will welcome two new members, Dave Foley and Kevin Smith.

We hope you have been watching the progress of the project on the [Live Webcam](#) link, which is always available by clicking on PHOTOS & VIDEOS above.

Keep tuned to School Committee meetings and this website for more information on public tours of the building.

As ever, we thank you for your continued interest and support in this project.

*Sincerely,  
The School Building Committee*
